

Youth-Guided

Young people have the right to be empowered and educated and are given a decision-making role in the care of their own lives as well as in the policies and procedures governing care for all youth in the community, state and nation.

Wrap@ Nassau County

Wraparound is an intensive, individualized care process that follows a series of steps for families that have complex needs. Along with our Family Resource Coordinator you can determine if Wraparound services are right for you and your family. The process is

- Strength-based
- Team-based
- Individualized

SAMHSA

Who We Are:

- Nassau County Family Support System of Care is a partnership between Nassau County Department of Mental Health, Chemical Dependency and Developmental Disabilities Services, Nassau University Medical Center and Families Together in NYS, Inc./LIFT, Inc. promoting emotional wellness for children and their families throughout Nassau County
- A community-based, family-driven, youth-guided, and culturally competent system of care, serving children and youth ages 6 to 21 and their families
- Co-located in a Nassau University Medical Center's Hempstead Health Center, our Hempstead Family Resource Center is a direct way for families to access Nassau County Family Support System of Care

The Center Provides:

- A place where families can receive information and find support
- Education advocacy
- Mental Health Assessments
- Individualized wraparound service planning
- Support and advocacy for children, youth and families
- Family support group
- Youth groups/youth support meetings

Family-Driven

- Families have a primary decision making role in the care of their own children as well as the policies and procedures governing care for all children in their community
- Choosing supports, services, and providers
 - Setting goals
 - Designing and implementing programs
 - Monitoring outcomes
 - Managing the funding for services, treatments, and supports
 - Determining the effectiveness of all efforts to promote the mental health and well being of children and youth
